# War Department,

Adjutant General's Office,

Washington, June 3<sup>d</sup>. 1865.

Sir,

In reply to your letter requesting a Descriptive List of William L. Donohue, Private in Company G, 24<sup>th</sup> Regiment of Mo. Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

William L. Donohue, Private in Company G, 24<sup>th</sup> Regiment of Mo. Volunteers, is

years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 14<sup>th</sup> day of Dec, 1863, at the town of St. Louis, in the State of Mo.

by Lieut. Owen, and mustered into the service of the United States on the 14<sup>th</sup> day of Dec, 1863, at the town of St. Louis, in the State of Mo. by Capt. Thompson, to serve for the period of 3 years, or "during the war."

## ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the month of Nov. & Dec, 1864 (latest on file) that he was last paid by Paymaster Ferme, to the 31<sup>st</sup> day of Oct., 1864.

## ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

## REMARKS.

On same Roll he is reported absent: "Missing since Nov. 30, 1864, on march from Duck River to Franklin, Tenn. Transferred from Co. G, Nov. 29, 1864, per S. O. No. 29, 58 dgrs 24<sup>th</sup> Mo. Vols. Clothing account never settled. Clothing drawn \$59.40"

Very respectfully,

Your obedient servant,

Samuel H. Beck

Assistant Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

# NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

# NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are accurately described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, rheumatism, derangement of the urinary organs, melancholia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

# DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his order referred to above, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last paragraph on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates down to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given back to the hands of the soldier.

War Department,  
Adjutant General's Office,

Washington, May 22<sup>d</sup> 1865.

In reply to your letter requesting a Descriptive List of James B. [unclear] in Company E, 2<sup>d</sup> [unclear] Regiment of Missouri Volunteers. I have the honor to furnish the following Descriptive List obtained from the records of this Office: which, from the want of the necessary data (which is in the possession of the Company Commander,) only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

James B. [unclear] a 1<sup>st</sup> Sgt in Company E, 2<sup>d</sup> [unclear] Regiment of Missouri Volunteers, is

born of [unclear] but no further "description" can be obtained from the files of this Office. He was captured on the 21<sup>st</sup> day of August, 1861,

at the siege of [unclear] City in the State of Mo. by [unclear] and mustered into the service of the United States on the 15<sup>th</sup> day of Oct- 1861, at the

place of [unclear] in the State of Mo. by [unclear] and served for the period of 3 years, "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of Aug 1864 that he was last paid by Paymaster [unclear] to the 31<sup>st</sup> day of Dec 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the Muster Roll of paid for for July & Aug 1864 he is reported present for duty without remarks. Roll for Sept & Oct 1864 is not on file and on subsequent rolls his name is not borne.

Very respectfully,

Your obedient servant,

[Signature]

Assistant Adjutant General.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the company discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

War Dept. A. 1, 0  
Apr 11 1868.

This man was discharged  
at Benton Ark. Mo. July  
1st 1865. See Individual  
muster out roll.

# ARTICLES OF WAR.

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the command of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station distant from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his death; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Report of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ Regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leaves no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his death, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ Regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts to duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

# FINAL STATEMENT

"B"

246

Private Hardeman Edwin Co. B

24<sup>th</sup> Reg't of Mt. Inf.

## VOLUNTEERS.

Died May 6, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by States, Territories, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well upon the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the 3d Auditor, Washington, D. C.

(To be used, in duplicate, in all cases of discharge on account of disability.)

Private John Farmer of Captain James J. Lyon Company, (C), of the 24<sup>th</sup> Missouri Infantry, was enlisted by Capt. Tyler of the 14<sup>th</sup> day of September 1861, to serve three years; he was born in the State of Ohio, is 27 years of age, 6 feet — inches high, Sallow complexion, Grey eyes, Black hair, and by occupation when enlisted a Farmer. During the last two months said soldier has been unfit for duty 60 days.

See small directions on Form 12, p. 200, Medical Dep. Gen. Reg.

STATION: General Hospital Benton Barracks Mo.  
DATE: May 16th 1863.

Commanding Company.

I CERTIFY, that I have carefully examined the said John Farmer of Captain James J. Lyon Company, and find him incapable of performing the duties of a soldier because of Permanent Lameness of right leg, caused by Gun-shot wound received at the Battle of Pea Ridge. Strength very much impaired — my opinion is that he is unfit for any kind of military duty, or Invalid Corps.

Major:

I have the honor to tender my resignation as 1<sup>st</sup> Lieut of Co. F. 24<sup>th</sup> Ind Vols on account of the state of my health which you are aware has been very bad for the last 3 months or more.

In doing so I wish to say, in order that I may not be confounded with officers who resign for inefficient causes, that I regret exceedingly to be obliged to adopt this course having been in the regular & volunteer service for a period of near 11 years, but I feel that my days of active service are past & that it is no more than my duty to the Government that I resign. I was last paid by Major Waterhill up to 30<sup>th</sup> April 1862 was in command of Company from that date to 16<sup>th</sup> July 1862 at which time I turned over all public property I was accountable for & received receipts for same from my successor & that I am in no way indebted to the U.S.A.

REL. *65*  
**FINAL STATEMENT**

OF

*Elijah P. Forbes a Sgt of Co. A*

*24 Regt of Missouri Infantry*

**VOLUNTEERS.**

*Recd Apr 1863*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining in his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the loss of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to the effect by the officer. This endorsement should contain full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, or to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of three master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adj. Gen. of the Treasury Department.

NOTE 4.—Charges for loss or injury of arms, accoutrements, and other miscellaneous charges, should appear on the heading of "Other Stoppages."

NOTE 5.—Money paid by State collection, and not by the United States, will not be entered on these statements.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

Statement of John Light, Private 48<sup>th</sup> Mo. Infy. Vols  
who being duly sworn deposes and says: I reside in  
Marion County Mo. 10 miles from Rolla on the East  
side of the Gasconade River, I am a farmer. On the  
16<sup>th</sup> inst. a squad of armed men headed by one Peter  
M. Fritz who claims to be 2<sup>d</sup> Lt of a sort of  
independent Company which was raised at Vienna, came  
to my house and took a six inch Colts revolving  
six shooting pistol. I was at Rolla. My Father told me  
they took it. I went to Vienna on the 20<sup>th</sup> and applied  
to Fritz for it. He refused to give it up, said he had  
it but would not give it up, said I had no right  
to have it, said I had better leave there.

I served two years in the 24<sup>th</sup> Mo. Infy. Vols.  
and was discharged on account of disability. Fritz belonged  
to the same Company I did and was discharged  
about two weeks before I was. He lives some six  
miles from me. I enlisted in the 48<sup>th</sup> Mo. Infy.  
Vols on the 30<sup>th</sup> day of July 1864.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p. &c.*, &c.; to describe particularly the disability, wound, or disease the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1860 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, syphilis, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, submitted by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on the paper; or that the soldier is furnished with the proper final documents in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.: they will not, under any circumstances, be given into the hands of the soldier.

## FINAL STATEMENT

OF

Stephen A. Galloway  
Reg't of Mo. V. I.

### VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, due him, and the unpaid or other compensation due him. The company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment advanced on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining an original and duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and returned with a statement to this effect by the officer. This statement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the discharging receipt, and all other charges against him, or in his favor, together with a complete account of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the master roll, and the Soldier receive any pay or allowances due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is not retained. These accounts for back pay, &c., are settled by the Adjutant of the Company Department.

NOTE 4.—Charges for loss or injury to equipment, horse equipment, and other miscellaneous charges, should appear under the heading of "Other Charges."

NOTE 5.—Money paid by State collection, and not by the United States, will not be entered on this statement.

NOTE 6.—Amount due the Soldier and Landwarrant must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

B of the 24 Regiment of Infantry of the State of Missouri, born in Madison Co., State of Missouri, aged 27 years; 6 feet 0 inches high; Dark complexion, Blue eyes, Dark hair, and by occupation a Farmer, having joined the company on its original organization at Rolla Mo., and enrolled in it at the muster into the service of the United States at Rolla Mo., on the 21<sup>st</sup> day of August, 1861, (or was mustered in service as a recruit, by Lieut. He has received from the United States 100 dollars admission money. Long term of enlistment

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

*Samuel F. Said soldier's life having been that of a *School teacher* and *reservatory* character, his muscular powers were not sufficiently developed and firm to undergo the fatigues and his physical constitution the exposure of a soldier's life. Hence he has been afflicted with an irregular series of fever and ague during the most of his service in the army, and for the last four months or more he has not been fit for the duties of a soldier during any portion of that time. About the 15th Jan. 1862 said soldier, finding his health failing, resigned his position as 1st Sgt in Co. and was assigned that of *Clerkship* in the *Regt adjt* office in which he has remained to the present date.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, or the same may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistment and re-enlistments—enlistment of veterans, etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds no service. A muster must, in all cases, precede payment of pay, bounty, pension, etc. A muster is well meant. In all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

Warrant Bentley  
Surgeon U. S. A.

# War Department,

Adjutant General's Office,

Washington, May 20. 1865.

Sir:

In reply to your letter requesting a Descriptive List of Mitchell Gray a Private in Company "C", 10<sup>th</sup> Regiment Mo. Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

## NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Mitchell Gray a Private in Company "C", 10<sup>th</sup> Regiment Mo. Volunteers, is

years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 12<sup>th</sup> day of April, 1863, at the town of St. Louis in the State of Mo. by Lt. McClure and mustered into the service of the United States on the 27<sup>th</sup> day of April, 1863, at the town of St. Louis in the State of Mo. by Col. Bonnerille, to serve for the period of three years, or "during the war."

## ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company, (8<sup>th</sup> 24<sup>th</sup> Mo.) for the months of Nov. & Dec. 1864 that he was last paid by Paymaster Meaf. Conby on the 31<sup>st</sup> day of Aug. 1864.

## ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

## REMARKS.

On the above Muster Roll reported a Private. Present for duty with the following remarks: "Originally belonged to Co. H, 10<sup>th</sup> Mo. Inf. and was transferred to this Regt. by the S. O. No. 255. Hd. Qrs. Dept. of the Tenn. Oct. 24<sup>th</sup> 1864. 24<sup>th</sup> Mo. was consolidated with 21<sup>st</sup> Mo. Inf. 1864. His name is not taken up in the rolls of the latter Regt."

Very respectfully,

Your obedient servant,

*Samuel D. Cook*

Assistant Adjutant General.

(7)

To Surg. in Charge  
De Camp. Chas. H. Cook.

T. "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."
